Stone Garden Bench

The beauty of elegant stone garden bench, stone tabletops and granite patio table are hand-carved of high quality granite with excellent weather durability and will last virtually forever, becoming a fixture in your yard or garden. It will bring relax and serenity to any outdoor area, as well as being a beautiful decoration in itself. We carve the stone garden bench and stone tabletops in different treatment to present the fantastic effect. Treatment includes: high polish, honed, blast, and antique finish.
