Marble Pedestal Sink

The marble pedestal sink we offer for the hotel, residential and commercial use is practical and stylish. The polished surface of marble pedestal sink is factory treated with a sealant for easy cleaning and stain resistance. Pedestal stone sink are long time durable, water resistant and easy clean. They will give a lifetime of service if properly treated and maintained. The Chinese granite basins we offer have unique variations in color and veining turns make each specimen a natural work of art. It is cool to the touch, and presents an image of classic grace and beauty.
