## Black Marble Headstone

As a headstone supplier, we can supply Japanese style tombstone, black marble headstone in a wide variety of designs, shapes, sizes, colors, finishes, and also can be supplied with lettering, image etching or carving based on custom designs. Utilizing state of the art machinery and skilled craftsmen, the Japanese style tombstone is cut to a specified size and polished to a high sheen ready for engraving. An artist will design the memorial complete with name and dates, which is then engraved onto the stone surface by means of sandblasting.
